

# CURBY WRAP™

## INTRODUCING CURBY WRAP!

The Curby Wrap™ pad features an innovative, patent-pending paper cushioning material that offers substantial benefits over traditional wrapping materials, including bubble, bubble-on-demand, foam, and other paper materials. The paper's interlocking honeycomb design reduces shifting and damage, making the Curby Wrap pad a great option for small businesses, moving, and storage. Just pull, wrap, and pack! The Curby Wrap pad is the simple, reliable, recyclable, and renewable paper void fill solution.

Made from Recycled Paper!

## FEATURES & BENEFITS

- Engineered void fill for maximum cushioning protection
- Interlocking honeycomb design reduces shifting and damage and is ideal for moving and storage
- Easy to dispose
- 100% recyclable
- Eliminates movement of product during transport
