## DURABUBBLE<sup>RP</sup>

### PREMIUM BUBBLE CUSHIONING PROTECTION

Durabubble<sup>RP</sup> has been engineered with significant stretch enabling it to be tightly wrapped around the contours of products, regardless of shape and size; protecting edges and sharp corners from damage. Available in both standard and anti-static form, Durabubble<sup>RP</sup> is highly puncture resistant, and is made with non-slip polyethylene film.

### FEATURES & BENEFITS

- Cradle to Cradle Certified<sup>®</sup> Silver
- Withstands pressure and abuse, while also absorbing & cushioning against shock and impact
- Packaged product does not shift during the shipping process
- Excellent clarity makes product more visible
- Excellent air retention prevents bubble from going flat providing continued protection and re-use multiple times
- Offers flexibility & superior protection
